REMEMBER:

FILM ADVOCACY DAY

MARCH 15, 2011

7:00 AM – MIDNIGHT

Spread the news, spread the information, take some time and DO IT!

HERE'S WHAT WE WANT YOU TO SAY:

We respectfully request reinstating a sufficiently funded Iowa Film Office, staffed with adequate, qualified and experienced staffing. The sooner this happens, the sooner Iowa can best attract production companies to add jobs and economic development to our State's economy, especially through a new Iowa production guide establishing access to Iowa's crew, talent and resources, which will help create a strong film industry.
